Theme for Fall 2020: In Greek, the word "gospel" means "good news." This term is most popularly used when describing the teaching and revelation of Jesus Christ. But what is that teaching? What is that revelation? What is Jesus' gospel? Why should we believe it? What implications does it hold for our lives? This fall, we will take a look at the gospel of Jesus Christ that as Paul teaches us in Romans "is the power of God for salvation to everyone who believes..." We will examine the entire message from Genesis to Revelation.
